

Professional Development

Educators receive lessons and tools to use with their students with all our PD!

Let STEM Fuse help you take your students to the next level by providing educators the tools they need to be highly successful! Our PD team are educators themselves and understand the demands that today's educators have on their time and energy.

STEM Careers in AFNR

(Agriculture, Food, and Natural Resources)

Option 1: 3 hour virtual or *in person
\$2500 per session

Educators will learn how to introduce students to a variety of careers in AFNR and will be given specific resources to help set up work-based learning in this field. Career fields that will be explored are:

- Agribusiness systems and Marketing
[\(See sample resource\)](#)
- Animal systems
- Biotechnology systems
- Food production and processing
- Natural Resources and Environmental Services
- Plant Systems and Horticulture
- Ag Power, Structure and Technology

HARDWARE: Any computer, laptop, tablet (3D printers optional)

**Educators will receive lessons and tools to use with their students following this PD.*
